

Hello Adopting Families!

I'm sure you are all excited and prepping for your new little ones 😊

We, on the other hand, are sad that 'moving day' is approaching all too soon. 😞

Just wanted to reach out in an email to address some questions about food, treats, favorite toys, paper litter, final payment, etc.

****The kittens are currently eating** both dry and wet foods. Purina Pro Plan Kitten and/or Purina Kitten Chow Naturals as their dry kibble (depending on availability). They are also enjoying Purina Pro Plan Focus Kitten Pate and/or Purina Fancy Feast Kitten Pate (based upon availability) in a variety of flavors as one of their wet foods.

****As for treats**, they have not had any thus far, but we recommend Friskies Temptations because they are easy to portion control, and they have a crispy outer layer that helps with tartar control, as well as a soft inner layer that is flavorful and desirable. We also like the Delectables Bisque and the Tiki Cat Velvet Mousse.

****As for the paper pelleted litter**, because they CANNOT use clumping litter until they are at least 6 months):

****For pick up day**, please remember to bring final payment in the form of cash, money order, or cashier's check.

****Please bring a pet carrier**, and if adopting more than 1 kitten, a larger one to accommodate 2+ kittens.

****I have attached a copy of the adoption contract for your review. No need to print it out**, as I will have 2 copies for us to complete together on pickup day.

****If interested, here are links to some of their favorite toys, furniture, and comfort items 🤖:**
